TL:DR: Terrible but hilarious and kind of fun to play.

Cons:

Absurd physics

Mediocre sound

Terrible checkpoints around the corner so you don't know which way you're going,

The other npc vehicles are faster even after you've applied the 3 torque upgrades

Pros

Funny AF

Achievements

Trading cards

Computer AI so dumb it's hilarious

Hasn't crashed or bugged out

Worth the sale price because I'm enjoying it and want to complete it.
